STRANDGUT

Wood Pale Ale

ALC. 5,6% VOL

A pleasant copper colour in the glass with the enchanting bouquet of bourbon, vanilla, and a hint of fresh tobacco. We add chopped port and whisky barrels to this beer. The wood notes are freshly brewed and freshly fermented resulting in a refreshing beer with intensely fresh wood notes without any ageing - very unusual.

Goes well with smoked fish, beef, game, and pork belly

INGREDIENTS: BREW WATER, BARLEY MALT, WHEAT MALT, DEXTROSE, NATURAL HOPS, YEAST [THE SUGAR IS COMPLETELY FERMENTED DURING BOTTLE CONDITIONING - THE TRADITIONAL METHOD]
